For immediate release

Northwest Carpenters welcomes Alaska

Kent, Washington- (February 5, 2013) As of February 4, 2013 the state of Alaska is now under the umbrella of the Pacific Northwest Regional Council of Carpenters. The Pacific Northwest Regional Council of Carpenters would like to take this chance to welcome the nearly 3000 brother and sister Carpenters currently in Alaska.

The addition of Alaska to the Pacific Northwest Regional Council of Carpenters will streamline operations and will add ease of portability to contractors and members who frequently travel and work between the Pacific Northwest, and Alaska. The Pacific Northwest Regional Council of Carpenters looks forward to the prospect of growth. By efficiently managing resources, the Pacific Northwest Regional Council of Carpenters will be working to increase market share and work opportunities for the UBC membership in Alaska.
