WHAT IS “BEEPBALL?”

It is a challenging, physically demanding, and enjoyable competitive sport for athletes who are blind or visually impaired. These athletes dive on the ground to stop a beeping ball and run full speed 100 feet towards the sound of a buzzing base to score a run.

Local sisters from the Northwest Carpenters Union have created a team, “The Sassy Sisters” to take on the Tacoma Tide. All sisters will be blindfolded when batting and fielding the ball as a family-friendly and fun opportunity for our union to build awareness and a sense of partnership with the blind community.
